

Planned Program Award Application for Cub Scout Packs

Delivering a high quality, fun, exciting program to each boy is an important goal. The four-step program offers assistance in your planning process:

1. Schedule your program planning session.
2. Conduct the planning session, establishing the following:
 - Themes for 12 months, September through August.
 - Special events for each month.
 - Dates for pack meetings and pack committee meetings.
3. Present the plan at the next pack meeting or special parents night.
4. Present the plan to your unit commissioner. An honor unit ribbon will be sent to your next district roundtable for presentation when the planned program form is forwarded to the Northwest Suburban Council service center.

Cub Scout Pack # _____ has a planned annual program. Year: 200__ - 200__

We have planned our quality program and request that our recognition ribbon be presented at the next district Roundtable.
